PROFESSIONAL SUMMARY

Customer-focused professional with hands-on experience in remote team coordination, technical support, and client-facing communication. Zendesk Customer Service Professional Certificate holder with proven ability to handle high-volume interactions, build rapport quickly, and resolve issues efficiently. Led a distributed four-person remote team through Agile sprints, managing stakeholder communication and real-time problem resolution. Strong active listener who understands both rational and emotional customer needs. Fluent in English and French. Reliable remote workspace with quality headset and strong internet. Available to work rotating shifts in Mountain Standard Time.

KEY SKILLS

- Inbound/Outbound Call Handling • Customer Referrals • Active Listening • Rapport Building
- De-escalation • Problem-Solving • Clear & Professional Communication (Written & Verbal)
- CRM & Ticketing Systems • Remote Collaboration (Slack, Zoom, Google Workspace) • Data Entry
- Technical Troubleshooting • Script Adherence • Call Quality & Volume Benchmarks
- Bilingual: English (Fluent) • French (Fluent) • Spanish (Basic)

RELEVANT EXPERIENCE

Team Leader & Remote Coordinator | Gym Optimized LLC (Ensign College Project)

Remote • Jan 2026 – Aug 2026

- Led a four-person distributed team across multiple time zones, coordinating daily standups and real-time issue resolution — directly applicable to fast-paced remote call center environments
- Served as primary point of contact for project sponsors, translating technical issues into clear, non-technical explanations and managing stakeholder expectations
- Diagnosed and resolved a critical data failure during beta testing, communicating the resolution clearly to all affected users within tight deadlines
- Maintained detailed technical documentation and tracked defects through four testing cycles, ensuring quality benchmarks were consistently met

Team Leader & Community Coordinator | Beyond the Shackle Initiative

Cameroon • 2024

- Mentored students and led educational workshops, increasing participation by 30% through active listening, rapport-building, and personalized guidance
- Streamlined reporting and documentation processes, reducing administrative errors by 20%
- Earned Servant Leadership Certificate — trained in empathetic communication, understanding diverse needs, and guiding conversations toward positive outcomes
